Shooting Investigation/Arrest – April 27, 2025

On Sunday, April 27, 2025, at approximately 4:53 p.m., the Greenhills Police Department was dispatched to the area of Winton Road, just south of Andover Road, for a report of a shooting.

It was reported that prior to the shooting, the complainant and Kenesha L. Kenny had been involved in a physical altercation. Following the altercation, both individuals were traveling northbound on Winton Road when the shooting occurred.

The complainant, who had two other occupants in her vehicle, reported that Kenesha L. Kenny, operating a red Chevrolet Malibu, fired a weapon at her vehicle, striking it. After the shooting, Kenny fled the scene, continuing northbound on Winton Road.

During the investigation, the complainant provided officers with Kenny's name and a description of her vehicle. Officers determined the vehicle's license plate number as part of their investigation.

With the assistance of the Springdale and West Chester Police Departments, officers located the suspect vehicle near Kenny's residence and subsequently located Kenny at her residence.

Kenesha L. Kenny, a 29-year-old female from West Chester, Ohio, was arrested and charged with three counts of felonious assault. She was transported to the Hamilton County Justice Center.

No injuries were reported as a result of the shooting.

The Greenhills Police Department would like to thank the Forest Park and Springfield Township Police Departments for their assistance at the crime scene. With the collaboration of multiple agencies, the incident was brought to a peaceful resolution.
