HARVEST FEST BRINGS NEIGHBORS TOGETHER

Beautiful weather, good food, and plenty of smiling faces made this year's Harvest Fest a wonderful way to spend a Saturday in Greenhills! Members of the Police Department enjoyed visiting with residents and watching families take part in the festivities. The children certainly appeared to be having a great time!

Thank you to everyone who stopped by our booth, signed up for our monthly newsletter, or simply took a moment to say hello and thank us for our service. We appreciate your kindness and support. These conversations are a highlight of community events and give us a chance to get to know the people we serve.

We look forward to seeing everyone again at **Light-Up Greenhills and Cookies with the Cops!** We'll have Busken cookies for the kids, along with a special trinket to help celebrate Light-Up Greenhills.

PIONEERING Greenhills A DREAM

Greenhills Historic District - A National Historic Landmark

A HOMETOWN WELCOME TO OFFICER SHIPLEY:

At the most recent Greenhills Village Council meeting, I had the pleasure of introducing our newest police officer, Christopher “Chris” Shipley. Mayor David Moore administered the ceremonial oath of office, giving us a chance to formally welcome Officer Shipley and recognize his commitment to serving our community.

Born and raised in Greenhills, Officer Shipley brings a strong connection to the Village and its residents. He has already served the community through his volunteer and part-time work with the Greenhills Fire Department. His decision to become a police officer continues that dedication to helping others and protecting his hometown.

Mayor Moore originally swore in Officer Shipley on September 19, 2026, after his graduation from the Scarlet Oaks Police Academy. We are pleased to have him aboard and look forward to watching him grow in his new role.

Please join us in congratulating Officer Shipley and welcoming him to the Greenhills Police Department. If you see him around the Village, be sure to say hello!

CELEBRATING ONE YEAR OF SERVICE: SCHOOL RESOURCE OFFICER ANTHONY WHITE

On November 13, School Resource Officer Anthony White celebrates his first anniversary with the Greenhills Police Department. Officer White continues to serve at Winton Woods South Campus, supporting a safe and welcoming learning environment for students and staff.

Officer White joined our department with extensive experience serving the Cincinnati community, including several years as a School Resource Officer at Taft High School. That background brings valuable knowledge and experience to his assignment here in Greenhills.

School Resource Officers serve as more than a safety presence. Each day, they have opportunities to build relationships, offer guidance, and help students feel comfortable approaching a police officer when they need assistance. Officer White’s continued presence at South Campus supports that important connection between our schools and law enforcement.

Please join us in congratulating Officer White on his first year with the department. We appreciate his service to the students, staff, and families of Winton Woods and look forward to the year ahead!
